Re: May 4th – Item 13 Safe Haven Task Force Recommendations

The League of Women Voters of Sacramento County is pleased to support the recommendations of the Safe Haven Task Force. We must be neutral today on the allocation of funds from the General fund simply due to lack of time. However, we wholeheartedly support the resolution 2017 re-affirming Sacramento as a sanctuary city and we support the proposed immigration legislative platform and policy statements drafted by the task force.

We agree with the task force that Sacramento has benefited greatly from being one of the most diverse cities in the county.

Our national organization, League of Women Voters of the United States supports cities, towns, counties and states that make a decision not to cooperate with federal deportation and enforcement actions that include non-criminal undocumented immigrants.”
